### BILLING

Bills are posted to your UNM bursar account at the beginning of each month. Payments can be made on a monthly basis. Children's Campus statements showing specific charges are posted to your SmartCare account and can be provided upon request. Payments can be made as follows:

- The Bursar's Office  
MSC01 1310  
1 University of New Mexico  
Albuquerque, NM 87131
- John & June Perovich Business Center  
1700 Lomas Blvd. NE, Suite 1100  
Albuquerque, NM 87131-0001
- Online through your LoboWeb account available at [my.unm.edu](http://my.unm.edu).

In all cases, parents will be financially responsible for the current month's fee whether the child attends or not. Income Support Division (ISD) families are the exception as long as they maintain an active ISD contract and adhere to the terms and conditions of that contract.

Families will not be allowed to carry a balance on their account. Children will be dis-enrolled if there is a past due balance at the end of each month. Outstanding accounts will be turned over to the Bursar's Office and may be sent to a collection agency at their discretion. No parent may enroll a child for a new semester if an outstanding balance for that child exists.

There is no change in tuition for unexpected closures (such as weather closures, unplanned closures granted by the University President, etc.)
